Alameda County Behavioral Health Care Services

Following is a list of Alameda County Behavioral Health Care Services providers who are often available to accept new clients. However, some listed providers offer only specialized services to limited populations. The Behavioral Health Care Services ACCESS Program is designed to provide screening and referral services, and we strongly recommend that you use them to select a provider. The licensed clinicians at ACCESS will hear your concerns and then help you find the provider who can best meet your specific needs, including language and communication needs. They have the most up-to-date information on which providers have current openings. You can reach them by calling 1-800-491-9099 (or for hearing impaired TTY 1-800-653-2373) toll free from anywhere in California. Once a provider has been identified, you call the provider directly to schedule an appointment.

Alameda County Behavioral Health Care Services Lista de remisión de proveedores

Sitio web: http://www.acbhcs.org/Docs/ProviderList.pdf

La siguiente es una lista de los proveedores de Alameda County Behavioral Health Care Services que por lo general están disponibles para aceptar nuevos clientes. No obstante, algunos de los proveedores mencionados ofrecen únicamente servicios especializados a poblaciones limitadas. El programa ACCESS de Behavioral Health Care Services está diseñado para proporcionar exámenes y servicios de remisión, y recomendamos enfáticamente que los utilice para seleccionar un proveedor. Los médicos clínicos con licencia de ACCESS escucharán sus inquietudes y le ayudarán a encontrar el proveedor que pueda cumplir mejor con sus necesidades específicas, incluidas las necesidades de idioma y comunicación. Ellos cuentan con la información más actualizada sobre qué proveedores atienden actualmente. Puede comunicarse con ellos si llama al número gratuito 1-800-491-9099 (las personas con problemas auditivos pueden comunicarse a la línea TTY al 1-800-653-2373) desde cualquier parte de California. Una vez que se haya identificado un proveedor, puede llamarlo directamente para programar una cita.
