The licensed clinicians at ACCESS will hear your concerns and then help you find the provider who can best meet your specific needs, including language and communication needs. They have the most up-to-date information on which providers have current openings. You can reach them by calling 1-800-491-9099 (or for hearing impaired TTY 1-800-653-2373) toll free from anywhere in California. Once a provider has been identified, you call the provider directly to schedule an appointment.
