(510) 567-8100 / TTY (510) 533-5018

10/24/16

Dear all,

I am pleased to announce that Jennifer Mullane has been selected as the new Assistant Director for the Adult System of Care.

For the last 10 years Jen has served various lead roles for our department including overseeing the co-occurring initiative, implementation of the Choices program and most recently serving as the operational lead for our Assisted Outpatient and Community Conservatorship pilots, and for the In-Home Outreach teams. Prior to working at BHCS Jen has served in various roles including Presidential Management Fellow for the Department of Justice in Washington, DC, Victim Witness Manager for the U.S. Attorney's Office in Seattle, WA, Case Manager/Therapist for Seattle Counseling Service for Sexual Minorities (known as the oldest LGBTQ community mental health program in the country.) In addition, she has been a guest lecturer on the use of Motivational interviewing at the UC Berkeley, and at the University of Washington in Seattle, Washington.

Jen holds a Bachelor's Degree in Public Administration and a Master's Degree in Counseling and is a Licensed Professional Clinical Counselor. She is a member of the Motivational Interviewing Network of Trainers (MINT) and has trained thousands of Alameda County and community based organization staff in Motivational Interviewing, an evidence based practice for the treatment of people with co-occurring conditions.

Jen is known as a great collaborator, a good listener and someone who sees a project through from A to Z. She also brings a great amount of heart and thoughtfulness into all she touches, and takes the time to enjoy a good laugh with her colleagues. She will join the department's leadership team as the Assistant Director and will play a critical role in all the numerous initiatives in the adult system.

Jen will start in her new role on Monday, November 7th.

Please join me in welcoming Jen as our Adult System of Care Assistant Director.
Congratulations Jen!

James Wagner, LMFT/LPCC
Adult System of Care Director
Alameda County Behavioral Health Care Services
