All Trainings begin at 9am and conclude at 4:30pm

Target Audience:

Organizations that have a contract to provide Substance Use Disorder (SUD) treatment services.

Description:

Addresses ACBHCS and Medi-Cal documentation requirements for SUD treatment providers.

Trainers':

Tony Sanders, PhD, Interim Associate Administrator of Alameda County Behavioral Health Care Services. Dr. Tony Sanders has worked in Community Behavioral Health in the San Francisco East Bay for the past 30 years. For the past 15 years he has held multiple Quality Assurance & Improvement Management positions with CCCBH/ACBHCS, creating and leading many MH/SUD provider trainings in areas such as Quality Assurance, Quality Improvement, Clinical Documentation Standards, and LGBTAAI2-S cultural competence and responsiveness.

Jeffrey Sammis, PsyD, Clinical Review Specialist Supervisor of Alameda County. Jeff has been providing clinical services to Medi-Cal beneficiaries, training clinicians on Medi-Cal Documentation Compliance and chart review since 2005.

Brion Phipps, LCSW, Clinical Review Specialist of Alameda County Behavioral Health Care Services. Brion has over 17 years of experience working in the field of mental health, including 8 years, providing mental health services for Medi-Cal beneficiaries of Alameda County. Brion has worked extensively with individuals and their families, many with multiple mental health, substance use challenges. Brion has received extensive training in psychotherapy, issues related to social / restorative justice, and cultural humility.

Sharon Loveseth, CADCI, LAADC, Program Specialist of Alameda County. For the past 32 years Sharon has been professionally involved within healthcare services for addiction treatment and somatic therapies. For 20 years Sharon oversaw operations and strategic planning of their owner operated behavioral health care outpatient clinic. Services of their clinics included outpatient SUD, mental health and psychiatric treatment and Driving Under the Influence (DUI) Program services. In addition to Sharon's SUD profession she maintained a private practice for somatic therapies, and as an educator and trainer presented at local, state and national events.

Learning Objectives- at the end of the training, participants will be able to:

1. Apply clinical documentation standards for Assessments, Medical Necessity, Client Plans, and Progress Notes as set forth by ACBHCS, and the California Department of Health Care Services (DHCS).
2. Explain types of discharge codes and criteria to ensure and support consistency.
3. Explain "the Golden Thread" and how the assessment and treatment plan is woven throughout all documentation.
4. Give examples that meet Drug Medi-Cal Title 22 Regulations for SUD treatment.
