Description: Addresses Mental Health Assessment, Client Plan Development, and Service Provision Documentation Requirements for MHP Network Providers.

Trainer(s): Jeffrey Sammis, PsyD, Clinical Review Specialist Supervisor of Alameda County Behavioral Health Care Services. Jeff has been providing clinical services to Medi-Cal beneficiaries, training clinicians on Medi-Cal Documentation Compliance and chart review since 2005. Jeffrey Sammis has 15 years' experience reviewing charts and training clinicians for Medi-Cal Documentation Compliance. **Tony Sanders, PhD, Interim Associate Administrator of Alameda County Behavioral Health Care Services.** Dr. Tony Sanders has worked in Community Behavioral Health in the San Francisco East Bay for the past 30 years. For the past 15 years he has held multiple Quality Assurance & Improvement Management positions with CCCBH/ACBHCS, creating and leading many MH/SUD provider trainings in areas such as Quality Assurance, Quality Improvement, Clinical Documentation Standards, and LGBTAAI2-S cultural competence and responsiveness. **Amy Saucier, LMFT, Clinical Review Specialist of Alameda County Behavioral Health Care Services.** Amy has 18 years of experience working in social services; 6 of which have been in Continuous Quality Improvement/Quality Assurance in Mental Health Programs. Amy has several years of training experience including trainings on domestic violence, suicide prevention, SOGIE, cultural humility, sexual health foster parenting, and most recently Medi-Cal clinical documentation and CANS/ANSA certification trainings. Amy has served on the CANS/ANSA collaborative for the past year working with multiple agencies to assist with the state wide implementation of the CANS/ANSA and PSC-35. **Brion Phipps, LCSW, Clinical Review Specialist of Alameda County Behavioral Health Care Services.** Brion has over 17 years of experience working in the field of mental health, including 8 years, providing mental health services for Medi-Cal beneficiaries of Alameda County. Brion has worked extensively with individuals and their families, many with multiple mental health, substance use challenges. Brion has received extensive training in psychotherapy, issues related to social / restorative justice, and cultural humility. **Phuong Lai, PsyD, Clinical Review Specialist of Alameda County Behavioral Health Care Services.** Phuong has 2 years' experience performing Mental Health and SUD Chart review for Quality Assurance. Phuong has provided mental health counselling, including conducting psychological testing for children and their families since 2008. Prior to coming to Quality Assurance, she worked for 10 years at a non-profit organization providing therapy to children and their families. Phuong has been a mental health consultant and supervisor for the Head Start program.

Learning Objectives- at the end of the training, participants will be able to:

1. Identify the timelines for provision of the: Informing Materials, MH Assessment, Client Plan & Progress Note documentation.
2. Identify and document three key components of establishing Medical Necessity for the provision of Specialty Mental Health Services (SMHS).
3. Prepare to collect Sexual Orientation and Gender Identity (SOGI) data during the MH Assessment process in a Culturally Responsive manner and recognize how that will impact the provision of MH Services with Cultural Humility.
4. Identify, document and apply six key components of the Client Plan utilizing the new forms and templates.
5. Identify the five most frequent Mental Health Service Procedures provided (by the trainee) and for those who identify six key requirements in documenting the provision of the services in the Progress Note.
