A detailed Sausal Creek Report was distributed.

Ms. D'Onofrio asked for clarification re: Service Teams figures (15-*from open to other services* on page 1 and 10-*from referrals after care* on page 2)

Ms. Suilmann responded that she will check with Ms. Taft-Butkowski re: the Service Teams figures.

Ms. Walkover asked why Sausal Creek's report is presented at the Adult Committee.

Ms. Suilmann stated that the Sausal Creek Program was a result of the Front Door Recommendations and that the reason why Sausal Creek Report is presented at the Adult Committee is because the Front Door Project was merged to Adult Committee.

Ms. McInnis stated that Mental Health Board has a great interest in Sausal Creek & John George reports.

Mr. Chambers suggested that it would also be useful to know what time of day the people are seen at Sausal Creek to be able to identify where the gaps in the services are.

Ms. Suilmann stated that they've done a lot of adjustments to the report over the last 3-4 years; Ms. Suilmann stated that she will ask Ms. Taft-Butkowski how hard it would be incorporate the data that Mr. Chambers asking for.

John George (JG) Report:

No report given...Mr. Alevizos related that John George would like to have a diversion at PES. Committee members would like to have more info re: diversion at PES, Ms. McInnis suggested asking Dr. Kurt Biehl to address diversion concern.

Public & Committee Members Comment: *None*
