

Alameda County Substance Use Disorder (SUD) Perinatal Provider Directory

Last updated: 10-5-19

This Provider Directory provides information about organizations providing perinatal SUD treatment services to Alameda County residents eligible or enrolled in Medi-Cal.

Perinatal services are for women who are pregnant or parenting children ages 18 and younger, or women who are attempting to reunify with their children.

Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, waived or registered mental health providers and licensed substance use disorder services providers are listed on the Plan's Provider Directory.

For information about each organization's rendering providers, please visit: http://www.acbhcs.org/provider_directory/

How to Access Services in this directory?

Alameda County Residents can access Alcohol and Other Drugs Treatment Services by calling: 1-844-682-7215

**For Alameda County residents, under 18 years of age, direct referrals can be made to any identified adolescent treatment provider in this directory
If you are seeking early intervention services, direct referrals can be made to any identified early intervention service provider**

All providers listed in this Provider Directory constitute Alameda County's Substance Use Provider Network (SPN). Access points that provide referrals into these treatment providers are also part of the SPN, including the Substance Use Access and Referral Helpline, Cherry Hill Sobering and Detox Center, Drug Court and Criminal Justice Case Management Program
