## New Hours at Sausal Creek

Effective June 28, 2010, Sausal Creek's service hours will be changing. Our new hours will be Monday to Friday 8:00 AM to 8:00 PM and Saturday from 8:00 AM to 4:30 PM. The program will be closed on Sunday.

Our clinical services will remain the same as always. Sausal Creek provides short-term crisis stabilization services and psychiatric support to people who have immediate mental health needs, but cannot wait for routine care. Sausal Creek services are voluntary and help people alleviate symptoms of distress and discomfort, so they may return home and prevent unnecessary inpatient hospitalization.

For the last eight years, Sausal Creek has served thousands of Alameda County residents in addressing their crisis mental health needs. As part of the larger medical and recovery community, we thank you for your ongoing support and look forward to many years of service and collaboration ahead.
