Re: Pathways to Wellness Referral Process

Dear Provider and Other Stakeholders,

You may recall that in April, 2015 the Board of Supervisors approved a contract for Pathways to Wellness to provide Level III medication services. These services are being transferred from Schumann-Liles to Pathways to Wellness no later than June 30, 2015.

**Please note that referrals to Pathways to Wellness are managed through Alameda County Behavior Health Care Services (ACBHCS) ACCESS department.** This means that no program should fax client information to Pathways to Wellness without first obtaining an authorization from ACCESS. To make a referral you must call **1-800-491-9099** and have the potential referral screened by ACBHCS.

Thank you for your ongoing cooperation and let me know if further clarification is needed.

Sincerely,

James Wagner, LMFT/LPCC  
ACBHCS Adult System of Care Director
