

# **CHERRY HILL DETOX**

**A new Program operated by Horizon Services, Inc.  
On behalf of Alameda County Behavioral Health Care Services**

Cherry Hill Detoxification Program is a 3-day (72hours) to 5-day (120 hours) 32 bed, co-ed Free Standing Monitored Residential Detoxification Unit. Specifically designed for participants assessed as not requiring medication for the management of withdrawal. The design encompasses participants needing a level of service requiring supervision and a supportive structure characterized by an emphasis on peer and social support. An empathic engagement approach will be utilized upon first conversation with potential participants.

## **Cherry Hill Detox has three Primary Goals:**

- Embrace a welcoming approach to enhance the screening of participants into the program.
- A welcoming and supportive atmosphere creating a non-threatening peaceful environment for participants to be safe, nourished and healthy during their withdrawal period.
- A streamline referral support system for participants to enter their individually assessed next step in the continuum of care.

## **Services**
