**Alameda County Substance Use Disorder (SUD) Rendering Provider Directory**

This Provider Directory provides information about individuals providing SUD treatment services to Alameda County residents eligible or enrolled in Medi-Cal. Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, wavered or recognized mental health providers and licensed substance use disorder services providers are listed on the Plan's Provider Directory.

### How to Access Services in this Directory?

Alameda County Residents 18 and over can call the Substance Use Disorder Treatment Services by calling: 1-866-672-5555 or for the California Relay Service: Dial 711 / TTY Line: 510-533-2018

The Substance Use Access & Referral Helpline provides screening and referral information within the Alameda County Substance Use Disorder Treatment System.

For Alameda County residents under 18 years of age, or seeking early intervention services, see the list Directory for any identified adolescent or early intervention provider, [http://www.alamedacountyus.org](http://www.alamedacountyus.org). Access points that provide referrals into these treatment providers are also part of the SPN, including the Substance Use Access and Referral Helpline, Sherry Hill Sobriety and Data Center, Drug Court and Criminal Justice Case Management Programs.
