Welfare & Institutions Code 5604

(a)(1) Each community mental health service shall have a mental health board consisting of 10 to 15 members, depending on the preference of the county, appointed by the governing body, except that boards in counties with a population of fewer than 80,000 may have a minimum of five members. A county with more than five supervisors shall have at least the same number of members as the size of its board of supervisors. This section does not limit the ability of the governing body to increase the number of members above 15.

(2)(A) The board shall serve in an advisory role to the governing body, and one member of the board shall be a member of the local governing body. Local mental health boards may recommend appointees to the county supervisors. The board membership should reflect the diversity of the client population in the county to the extent possible.

(B) Fifty percent of the board membership shall be consumers, or the parents, spouses, siblings, or adult children of consumers, who are receiving or have received mental health services. At least 20 percent of the total membership shall be consumers, and at least 20 percent shall be families of consumers.

(C)(i) In counties with a population of 100,000 or more, at least one member of the board shall be a veteran or veteran advocate. In counties with a population of fewer than 100,000, the county shall give a strong preference to appointing at least one member of the board who is a veteran or a veteran advocate.

(ii) To comply with clause (i), a county shall notify its county veterans service officer about vacancies on the board, if a county has a veterans service officer.

To be added by Proposition One if it passes in March:

(i) At least one member of the board shall be an employee of a local education agency.

(ii) To comply with clause (i), a county shall notify its county office of education about vacancies on the board.

1 For purposes of this section, “veteran advocate” means either a parent, spouse, or adult child of a veteran, or an individual who is part of a veterans’ organization, including the Veterans of Foreign Wars or the American Legion.
