

February 19, 2019

Dear all:

I am very pleased to announce the promotion of Cecilia Serrano to Finance Director starting February 24, 2019.

Cecilia joined ACBH six years ago as the Financial Services Officer. Cecilia has advanced to the position of Assistant Finance Director and has acted as Interim Finance Director in the past year.

Cecilia has over 30 years of experience working in the health field at a non-profit and government setting. Cecilia also brings in a wealth of knowledge and experience in the areas of finance, operations, contract management, personnel, and information systems.

In this new position, Cecilia will direct and manage the Finance Department which comprised of budget and special claiming, general accounting, procurement and contract administration, billing and claiming, data and cost reporting, and facility development.

We have all experienced Cecilia's dedication and the excellence she has brought to the position as Interim Finance Director during this last year. She is responsive and available and a true asset to our department. Cecilia's leadership will be much needed as our department continues to implement significant changes related to the Federal Medicaid Mega Rule, and as our department payment structure moves into value based payments.

Kindly join me in welcoming Cecilia to her new role.

James Wagner
ACBH Deputy Director
