

June 24, 2019

Please join me in welcoming our newest employee to the Child and Young Adult System of Care, Dr. Clyde H. Lewis, Jr. Dr. Lewis is our new Early Periodic Screening Diagnostic & Treatment (EPSDT) Coordinator and officially began his role on June 17, 2019. Dr. Lewis will be supporting the CYASOC with managing the EPSDT contracted programs and services, the School Based Behavioral Health programs as well as helping to keep the CYASOC on track with our State and Federal guidelines.

Dr. Lewis joins our team after having worked for nearly 20 years in increasingly responsible roles in both the Education and Non-Profit sectors domestically and internationally. In his most recent position, Dr. Lewis served as Director of Workforce Development and focused on developing and strengthening strategic partnerships throughout the Bay Area. His experience is enhanced by his Bachelor's degree in Ethnic Studies, Masters Degree in Educational Administration and Doctorate in Educational Leadership.

A few fun facts about Dr. Lewis:

- Is Originally from Oakland California
- Conversant in Japanese
- Has worked in every level of education from elementary to doctoral

Dr. Lewis will work closely with our team and community providers and is located in on the 4th Floor of 2000 Embarcadero, in office 425. Thank you for joining me in welcoming Dr. Lewis to the team.

Regards,

Lisa Carlisle
