## SCHREIBER CENTER FAQ'S

### **What is the Schreiber Center?**

The Schreiber Center is a specialty mental health clinic developed in collaboration with Alameda County Behavioral Health Care Services, the Regional Center of the East Bay, and Alameda County Public Health Department. The Center is dedicated to serving the mental health care needs of adults with intellectual and developmental disabilities. Our team of professionals specializes in supporting clients with complex behavioral, emotional, or psychiatric needs.

### **How are referrals made?**

Referrals can be made by Regional Center of the East Bay Case Managers and vendored Regional Center of the East Bay service providers.

### **Who is eligible for services?**

Members of the Regional Center over the age of 18 who are Alameda County Residents and have active Medical and/or Medicare. Referrals will be assessed and determined by Schreiber Center staff to meet Specialty Mental Health Criteria.

**PRESCREENING REFERRALS IS ADVISABLE – Please call Schreiber Center @ 510-891-5650**

### **Does the individual have to be previously diagnosed with a mental illness?**

No. Staff at Schreiber Center will provide comprehensive assessments of all mental health needs and welcomes both clients who have long-standing diagnoses as well as those who have never received a psychiatric evaluation.

### **What services does the Schreiber Center currently offer?**

We are able to provide assessments, medication management and psychotherapy to eligible individuals.

### **Where is Schreiber Center located, and will you see clients in the field?**

Our office is at 7200 Bancroft Avenue, Oakland, at the Eastmont Town Center. Currently we are unable to provide mobile assessment and therapy services. Individuals referred should be appropriate for and able to safely attend appointments at this location.
