

Alameda County ^{ac} ^{bh} Behavioral Health Care Services

MENTAL HEALTH & SUBSTANCE USE SERVICES

Welcome, Gina Battaglia! New Program Specialist

ACBH is pleased to announce the appointment of **Gina Battaglia** as a new **Program Specialist** on the **Substance Use Continuum of Care** Clinical Operations Team.

Ms. Battaglia joined the Substance Use Continuum of Care team on **May 17, 2021** and comes to ACBH with extensive background in clinical care, program management, and project management. After providing clinical services to youth, adults, and families for almost a decade, she gained experience both in the managed care behavioral health world and in a managed health plan, where she interacted with outpatient providers to help ensure effective, timely, and quality healthcare services.

Ms. Battaglia will serve as Operational Lead for the DMC-ODS Residential, Recovery Residence, and Withdrawal Management levels of care. She will also serve in a lead capacity on two Performance Improvement Projects associated with the Residential and Withdrawal Management substance use treatment programs.

Please join us in sending a warm virtual welcome to Gina Battaglia as she transitions into her new role within our Department!
