CREATING WELCOMING AND AFFIRMING SPACES FOR LGBTQ+ POPULATIONS
Thursday, June 9th, 2022
10:30 AM – 12:30 PM (PT)
3hrs CE; 2hrs Live Training and 1hr of REQUIRED pre-reading for CE credit

Training Summary and Educational Goals:
2021 was a record-breaking year for anti-LGBTQ+ laws in the US. During COVID, Multiple studies reported increased incidents of family rejection, victimization, internalized stigma and concealment of LGBTQ+ status. This 2-hour training will offer numerous strategies for providers and organizations to create welcoming and affirming spaces for those who seek help. The goal for this training is to help participants implement welcoming and affirming individual and organizational policies and practices especially to the LGBTQ+ populations that they serve.

Dr. Jei Africa is an experienced clinician and innovative thought-leader and strategist who is passionate about integrating equitable and healing centered practices into the core functioning of county health services. Dr. Africa is the first openly transgender behavioral health director in the state and in the US.
