

Alameda County Substance Use Disorder (SUD) Provider Directory

Last updated: April 2022

This Provider Directory provides information about organizations providing SUD treatment services to Alameda County residents eligible or enrolled in Medi-Cal. Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, waived or registered mental health providers and licensed substance use disorder services providers are listed on the Plan's Provider Directory.

For information about each organization's rendering providers, please visit: http://www.acbhcs.org/provider_directory/

How to access substance use treatment services in this directory?

Alameda County Residents can receive a screening and referral to substance use treatment services by calling the Substance Use Access & Referral Helpline: 1-844-682-7215
For hearing and speech limitations, DIAL 711 for the California Relay Service (CRS)

For Alameda County residents, under 18 years of age, direct referrals can be made to any identified adolescent treatment provider in this directory
If you are seeking early intervention services, direct referrals can be made to any identified early intervention service provider

Adult Outpatient, Intensive Outpatient and Recovery Support Services Treatment Providers

Outpatient and Intensive Outpatient Treatment services include group and individual counseling sessions combined with case management. Recovery Support Services including recovery monitoring and coaching, counseling services, relapse prevention support and linkage to support groups
