RESPONSES TO BIDDERS QUESTIONS

Mini-Campaigns:

Q1) Is the \$4,800 mini-campaign allocation amount within the \$208,658 or in addition

A1) The mini-campaigns amount of \$4,800 is included in the \$208,658 not in addition to.

Location:

Q2) Does this contract cover North and South County

A2) Bidders may propose service delivery in areas of Alameda County where members of the priority population are active in faith and spiritual/healing communities.

Collaborations/Sub-contractor:

Q3) Can the "one contractor award" be a collaboration between two organizations?

A3) Collaborations and partnerships are allowed for this RFP. There can only be one lead agency and a subcontractor, however, for each partnership, BHCS will only allow one bid submission. In other words, the lead agency and subcontractor must put together one complete proposed program. BHCS intends to enter into a contract with only one agency – the lead agency, who will be responsible for making sure all of the contract deliverables are met including those that are subcontracted. Please use the Professional and Specialized Services section of the Budget Template to indicate subcontractor and provide justification in your Budget

Narrative. Funds will only be distributed to the lead agency and the lead agency is responsible for paying its subcontractor. When subcontracting the lead bidder must be the agency SLEB certified in order to receive the SLEB preference points (the SLEB Certification can't be in the sub-contractors name).
