I. STATEMENT OF WORK

A. INTENT

The intent of this Request for Pre-Qualification (RFPQ) is to identify a qualified Bidder interested in providing first and multiple-offender Driving under the Influence (DUI) Programs. The DUI Program will assist clients in completing the court-ordered and Department of Motor Vehicles (DMV) requirements, and help reduce future DUI citations.

Alameda County Behavioral Health Care (hereafter referred to as ACBH or County) intends to recommend one Bidder to provide first and multiple-offender DUI Programs in North County, selected as the most responsible Bidder whose response conforms to the RFPQ and meets the County requirements. ACBH may use the list of pre-qualified Bidders in subsequent fiscal years (FY) for additional programs as needed.

Qualification of vendors will be performed by County staff who have expertise or experience in the area of DUI services. These staff will evaluate and verify Bidder responses. The person administering this process shall notify Bidders of the qualification outcome. Only qualified and approved Bidders will have the opportunity to provide the services requested by ACBH.

ACBH reserves the right to end a contract if/when the awarded Contractor materially alters staff, deliverables, and outcomes any time after the contract award.

Contract is contingent upon successfully obtaining a DUI Program license, issued by the State of California Department of Healthcare Services (DHCS) at the address stated in the license application, within three months of award.

The County is not obligated to award any contracts as a result of this RFPQ process. The County may, but is not obligated to, renew any awarded contract. Any renewal of an awarded contract shall be contingent on Contractor’s performance and continued prioritization of the activities and DUI service needs, as defined and determined by ACBH.

---

1 North County includes Alameda, Albany, Berkeley, Emeryville, Piedmont, and Oakland.
2 See Appendix G for DHCS DUI Program License Application Package.
B. BACKGROUND

Drivers in California convicted of driving under the influence of alcohol and/or other drugs are required to complete a DUI education program (DUI Program). Based on the level of offense, these DUI Programs include:
1. First offender DUI Programs:
   • Wet and Reckless;
   • Three-month;
   • Six-month; and
   • Nine-month

The County Board of Supervisors, working with the County Substance Use Continuum of Care Director, determines the need for DUI Programs and recommends applicants to the State for licensure. DHCS Behavioral Health Licensing and Certification Division licenses and performs complete monitoring on all DUI programs in California. Title 9 of the California Code of Regulations provides the legal framework for these programs.

Alameda County currently seeks a DUI Program provider to complement its existing network of providers and fill a geographical gap in services in North County.

C. SCOPE/ PURPOSE

The goals of the DUI Program are as follows:
• Assist clients in exploring their relationship with alcohol and/or drugs and the risks associated with these substances;
• Promote modified drinking/drug use in high-risk situations such as while operating a vehicle;
• Provide counseling and education to reduce the likelihood of a repeat DUI offense; and
• Proactively help with alcohol and/or drug problems to make life affirming choices, and when appropriate, linking and referring to substance use treatment services (e.g. Withdrawal Management, Outpatient, Intensive Outpatient, Residential, Recovery Support Services, Opioid Treatment, and other Medication Assisted Treatment).

D.  BIDDER MINIMUM QUALIFICATIONS

Bidder qualification criteria include the following:

1. Bidder must have at least three or more years of demonstrated experience providing alcohol and drug treatment or DUI program services (organizational or staff experience).

2. Bidder must have a physical facility suitable for in-person DUI services located in North County, with a preference for an Oakland-based location. This facility must have capacity to accommodate up to 35 individuals for education sessions and up to 15 individuals for group counseling.
E. PROGRAM REQUIREMENTS

Bidders must understand and be able to comply with rigorous data collection, reporting, financial and program audits. The DUI Program must submit timely quarterly financial statements (with total gross revenues), payments to the County (approximately five percent of gross program revenue), and client enrollment reports to the County and DHCS within 30 days of each quarter. ACBH conducts at least one on-site program audit bi-annually.

The DUI Program must be licensed by DHCS within three months of contract start date to offer first and multiple offender DUI Programs and must provide services in accordance with County and DHCS standards, including Title 9. The DUI Program resulting from this award will not be allowed to move locations or facilities without the express and written permission of both the County Substance Use Continuum of Care Director, and DHCS.

Successful Bidders shall comply with County and DHCS standards, which include the following:

1. All new enrollees to the DUI Program must attend a Victim Impact Panel presented by volunteers associated with Mothers Against Drunk Driving.

2. The DUI Program shall require a participant enrolled in a Wet and Reckless first offender program to complete 12 hours of educational sessions, provided in accordance with Title 9, Section 9852.

3. The DUI Program shall require a participant enrolled in a three-month first offender program to complete the following:
   a. Twelve hours of educational sessions, provided in accordance with Title 9, Section 9852.

The DUI Program shall conduct the initial face-to-face interview within 21 days of enrollment, and the second face-to-face interview at the mid-point of the program. The final face-to-face interview shall serve as the exit interview. At the DUI Program’s option, more than three face-to-face interviews may be provided so long as the participant is not charged for the additional face-to-face interviews.

\(^4\) See Appendix H for DHCS Health Information Notice, dated July 23, 2020: Flexibility for DUI programs during the COVID-19 public emergency.
e. Any additional County requirements approved in accordance with Title 9, Section 9860.

C. EXHIBIT A: BIDDER INFORMATION AND ACCEPTANCE

Bidder Information and Acceptance

1. The undersigned declares that the proposal documents, including, without limitation, the RFPQ, Addenda and Exhibits have been read and accepted.

2. The undersigned declares that he/she is authorized, offers, and agrees to furnish the articles and/or services specified in accordance with the RFPQ’s specifications, terms & conditions.

3. The undersigned has reviewed the proposal documents and fully understands the requirements in this proposal including, but not limited to, the requirements under the County Provisions, and that each Bidder who is awarded a contract shall be, in fact, a prime contractor, not a subcontractor, to the County, and agrees that its proposal, if accepted by County, will be the basis for the Bidder to enter into a contract with County in accordance with the intent of the proposal.

4. The undersigned also agrees to follow the Bid Protests / Appeals Process.

Alameda County prides itself on the establishment of fair and competitive contracting procedures and the commitment made to follow those procedures. The following is provided in the event that Bidders wish to protest the proposal process or the recommendation to award a contract for these programs once the Notices of Intent to Award/Non-Award have been issued.

The following describes two separate processes: Bid Protests and Appeals. Bid Protests submitted prior to issuance of the Notices of Intent to Award/Non-Award shall not be accepted by the County.

Bid Protests from any Bidder related to this RFPQ must be submitted in writing to the ACBH Director located at 2000 Embarcadero Cove, Suite 400, Oakland, CA 94606 Fax: 510.567.8180, before 5:00 p.m. of the fifth (5th) business day following the date of issuance of the Notice of Intent to Award/Non-Award, not the date it is received by the Bidder. Any Bid Protest received after 5:00 p.m. shall be considered received as of the next business day.

- The Bid Protest must contain a complete statement of the reasons and facts for the protest.
- The Bid Protest shall refer to the specific portions of documents that form the basis for the protest.
- The Bid Protest shall include the name, address, email address, fax number and telephone number of the person representing the protesting party.
- ACBH shall transmit a copy of the Bid Protest to all Bidders as soon as possible after receipt of the protest.

Upon receipt of written Bid Protest, the ACBH Director, or designee shall review and evaluate the protest and issue a written decision. The ACBH Director, may, at his or her discretion, investigate the protest, obtain additional information, provide an opportunity to settle the
protest by mutual agreement, and/or schedule a meeting(s) with the protesting Bidder and others (as determined appropriate by the ACBH Director) to discuss the Bid Protest. The decision on the proposal protest shall be issued at least ten (10) business days prior to the date the Board is considering the recommendation and award of contract.

The decision on the Bid Protest shall be communicated by e-mail, fax, or US Postal Service mail, and shall inform the Bidder whether or not the recommendation to the Board of Supervisors as stated in the Notice of Intent to Award is going to change. A copy of the decision shall be furnished to all Bidders affected by the decision. As used in this paragraph, a Bidder is affected by the decision on a Bid Protest if a decision on the Bid Protest could have resulted in the Bidder not being the recommended successful Bidder on the RFPQ.

The decision of the ACBH Director on the Bid Protest may be appealed to the Auditor-Controller’s Office of Contract Compliance & Reporting (OCCR) located at 1221 Oak St., Rm. 249, Oakland, CA 94612, Fax: 510.272.6502 unless the OCCR determines that it has a conflict of interest in which case an alternate will be identified to hear the appeal and all steps to be taken by OCCR will be performed by the alternate. The Bidder whose proposal is the subject of the Bid Protest, all Bidders affected by the ACBH Director’s decision on the Bid Protest, and the protesting Bidder have the right to appeal if not satisfied with the ACBH Director’s Bid Protest decision. All Appeals to the Auditor-Controller’s OCCR shall be in writing and submitted within five (5) business days following the issuance of the decision by the ACBH Director, not the date received by the Bidder. Appeals received after 5:00 p.m. is considered received as of the next business day.

- The Appeal shall specify the Bid Protest decision being appealed and all the facts and circumstances relied upon in support of the Appeal.
- In reviewing Appeals, the OCCR shall not re-judge the proposals. The appeal to the OCCR shall be limited to review of the procurement process to determine if the contracting department materially erred in following the RFPQ or, where appropriate, County contracting policies or other laws and regulations.
- The Appeal to the OCCR also shall be limited to the grounds raised in the original Bid Protest and the decision by the ACBH Director. As such, a Bidder is prohibited from stating new grounds for a Bid Protest in its Appeal. The Auditor-Controller (OCCR) shall only review the materials and conclusions reached by the GSA-Office of Acquisition Policy or department designee, and will determine whether to uphold or overturn the protest decision.
- The Auditor’s Office may overturn the results of a bid process for ethical violations by Procurement staff, County Selection Committee members, subject matter experts, or any other County staff managing or participating in the competitive bid process, regardless of timing or the contents of a bid protest.
- The decision of the Auditor-Controller’s OCCR is the final step of the Appeal process. A copy of the decision of the Auditor-Controller’s OCCR shall be furnished to the protestor, the Bidder whose proposal is the subject of the Bid protest, and all Bidders affected by the decision.

The County shall complete the Bid Protest/Appeal procedures set forth in this before a recommendation to award the contract is considered by the Board of Supervisors.
The procedures and time limits set forth in this section are mandatory and are each Bidder’s sole and exclusive remedy in the event of Bid Protest. A Bidder’s failure to timely complete both the Bid Protest and Appeal procedures shall be deemed a failure to exhaust administrative remedies. Failure to exhaust administrative remedies, or failure to comply otherwise with these procedures, shall constitute a waiver of any right to further pursue the Bid Protest, including filing a Government Code Claim or legal proceedings.

5. The undersigned agrees to the following terms, conditions, certifications, and requirements found on the County’s website:
   - General Environmental Requirements: [http://www.acgov.org/gsa/departments/purchasing/policy/environ.htm](http://www.acgov.org/gsa/departments/purchasing/policy/environ.htm)

D. SLEB PARTNERING INFORMATION SHEET

SMALL LOCAL EMERGING BUSINESS (SLEB) PARTNERING INFORMATION SHEET

In order to meet the Small Local Emerging Business (SLEB) requirements of this RFPQ, all bidders must complete this form as required below. Bidders not meeting the definition of a SLEB (http://acgov.org/auditor/sleb/overview.htm) are required to subcontract with a SLEB for at least 20% of the total estimated bid amount in order to be considered for contract award. SLEB subcontractors must be independently owned and operated from the prime Contractor with no employees of either entity working for the other. This form must be submitted for each business that bidders will work with, as evidence of a firm contractual commitment to meeting the SLEB participation goal. (Copy this form as needed.)

Bidders are encouraged to form a partnership with a SLEB that can participate directly with this contract. One of the benefits of the partnership will be economic, but this partnership will also assist the SLEB to grow and build the capacity to eventually bid as a prime on their own.

Once a contract has been awarded, bidders will not be able to substitute named subcontractors without prior written approval from the Auditor-Controller, Office of Contract Compliance & Reporting (OCCR).

County departments and the OCCR will use the web-based Elation Systems to monitor contract compliance with the SLEB program (Elation Systems: http://www.elationsys.com/elationsys/).
